REMARKS

This Amendment addresses a correction in the inventorship of the patent application under 37 C.F.R. §1.48(a). (The Declaration and Powers of Attorney have not yet been filed in this application.)

This Amendment will delete the names of two of the named inventors. The question of proper inventorship arose during a review of the patent application. During the review of the patent application, it was determined that the claims pending in this application properly fall under the inventorship of Giorgio Rizzoni, Byungho Lee, Yann Guezennec, and Ahmed Soliman. (Mauro Cavaelleti and James Waters were determined not to be inventors.) The undersigned hereby certifies that such error was made without deceptive intent.
